9 REASONS TO ATTEND

viaEDGE™ FOR LEARNING AGILITY

Experience this breakthrough tool — the most accurate and comprehensive learning agility individual assessment available. **S\$400 value.**

BUILDING INNOVATION INTO THE ORGANIZATION

Innovation counts even more so today in Asia. Learn methods for building innovation into the leadership and talent agenda from four of the world's leading experts.

ASIA 2.0 – THE BUSINESS CONTEXT

Discover what the research unveils about opportunities and challenges in managing people and organizations in an Asia 2.0 world. Benefit from CEO perspectives on how to meet the transformation challenge.

HIGH-POTENTIAL TALENT

Explore the art and science of managing high-potential talent with Chief Talent Officers from across the globe. Learn fast, practical, and results-driven approaches for identifying, developing, deploying, and retaining this critical talent segment. Design your own program for immediate implementation.

PROFESSIONAL TALENT MANAGEMENT

Talent management by accident is an all too familiar theme. Professional talent management requires proven and reliable approaches, and limited complexity for execution. Learn practical approaches to building and launching a professional talent management program in just 48 days!

INTEGRATED LEADERSHIP DEVELOPMENT

The changing needs of Asia business place increasing and unprecedented demands on leadership skills. Leadership development approaches must be nimble and quick, just like our leaders. Hear expert perspectives on what leadership development must look like going forward, and ideas on how to get there.

TALENT MANAGEMENT CERTIFICATIONS

Enhance your expertise. Become certified in Korn/Ferry research-based tools and methods on Leadership Competency Modeling and High-Potential Identification. Each 1.5 days leading up to the conference at attractive package-discount prices.

AN INTIMATE AND CLOSE-KNIT ATMOSPHERE

Registration is limited — 90 participants — providing considerable opportunity for one-on-one networking and personal learning.

BEYOND THE CONFERENCE...

Stay tuned for an Asia fall 2011 agenda filled with programs and workshops to stretch your thinking and expand your knowledge.

Register now for the Korn/Ferry Leadership Transformation conference. Be inspired by leading CEOs, CHROs, and topical experts discussing the most critical talent management issues facing Asia's leaders. Learn how to quickly create and deploy high-impact talent strategies, leveraging world-class methodologies and tools.

A WINNING AGENDA

DAY 1

18 AUGUST, 2011

The Challenges and Opportunities in Asia

The Asia 2.0 Landscape: *Indranil Roy & Charles Tseng (Korn/Ferry International)*

The latest research and insights around Asia 2.0 – explore the opportunities and challenges of managing organizations in a new Asia. CEOs share their perspectives from different industry sectors. Map your organization's readiness for Asia 2.0. Are you ready?

CEO Perspectives: *Patrick Imbardelli (Pan Pacific), Aliza Knox (Google), Dr. Anand Tharmaratnam M.D. (Quintiles), & Dr. Ronald Ling M.D. (Price Waterhouse Health Advisory)*

CEOs share their unique perspectives on building businesses in Asia and the associated talent challenges. They set the bar on expectations for leadership and talent professionals in Asia.

Professional Talent Management

What Professional Talent Management Looks Like: *Pushp Deep Gupta & Kara Kelly (Korn/Ferry International)*

Korn/Ferry leaders set the stage for learning from our clients on building and executing a professional talent management program.

CHRO Perspectives: *Lisa Alvarez-Calderon (Johnson & Johnson), Claudia Dornhoefer (Novartis), David Hope (Aviva), & Paul Sakrzewski (SAP)*

HR leaders from four leading global companies share their success stories on implementing professional talent management processes as a key to fueling business growth in red-hot Asia.

Latest in Leadership Research and Trends: *Dr. Ken DeMeuse, Ph.D. & George Hallenbeck, Ph.D. (Korn/Ferry International)*

The latest research and thinking on leadership development and talent management, with special emphasis on high-potential talent – what's next?

DAY 2

19 AUGUST, 2011

The Innovation Challenge in Asia

Leading the Way in Innovation: *Jane Stevenson (Korn/ Ferry International) & Bilal Kaafarani (Yildiz Holding)*

The authors of *Breaking Away* share the blueprint for how the most successful companies have embedded innovation into every facet of their business to achieve growth and create value.

Developing Innovation Capability in Your Organization: *Scott D. Anthony (Innosight Ventures) & Brad Gambill (Singtel)*

Two leading global experts on innovation and strategy facilitate an experiential session demonstrating how participants can rapidly introduce and implement innovation into their organizations.

Leadership Development for a Resurgent Asia

Case Studies in Developing the Top Team: *Melissa Kee (Dow Chemical) & Eren Rosenfeld (Bank of America)*

Two global firms share their journey in growing their top team capabilities and bench strength across the region – post financial crisis and during significant organizational change.

Case Studies in Leadership Development: *Figin Seng (Estée Lauder) & Hew Evans (Sony Electronics)*

Leadership development is anchored in the unique business objectives and culture of the organization. Two leading international organizations share vastly different contexts for leadership development leading to broadly different outcomes.

Creating an Integrated Leadership Development Experience: *Jacqueline Gillespie (Korn/Ferry International)*

Learn how to develop your own integrated leadership development program in a single day.
